

Dear Friends,

Thanks to all who came to our June 22nd Community Gathering! We worked hard and focused on understanding Indivisible National's **Unrepresentatives Project**. Our new Indivisible NJ state organizer, Marla Chassels, explained ([click here for the slides](#)) the Project and what National is

asking of all Indivisible chapters. In short, the goal is to unseat the 18 Republican Congresspeople who won Biden districts. We're so happy to have her working in NJ with us!

One of the big asks is for everyone living in districts represented by Tom Kean Jr. (NJ07) and Brian Fitzpatrick (PA01) to call them @ 855-973-4252. When you call, you'll be guided to your representative where you'll ask: "Will you support Trump as the nominee while he is under indictment for crimes against our national security?" Good question, huh? Don't worry! You can ask additional questions and by using this number, Indivisible National is able to track the number of calls made. Oh, and for probably way more information than you want (but need) to know, [click here](#) on more helpful info. in ways to communicate with your state rep.!

Also, in the meeting, Kierstyn Zolfo, leader of Indivisible Bucks County, prepared an update on both of these folks' voting records. Yikes! [Click here to view](#). The last part of the meeting focused on brainstorming actions that WE (meaning you!) can take to educate our neighbors just how much our reps are really MAGA aligned. Some of the things we tossed about include a Dog Parade, hanging banners off the bridge, billboard truck, anti-Tom business cards and a whole bunch more. Stay tuned. If you have some other creative ideas get in touch (i.e. FB, Slack, good ol' email, person-to-person).

Yours in action,
Indivisible Lambertville/New Hope

**Freedom To Read
Rally + March
hosted by Indivisible
Philadelphia**

**Friday, June 30th 12-1pm
Parkway Central Library
1901 Vine St, Philadelphia PA19103**

About this event

You know about book bans. You know about threats against the LGBTQ+ community and against the Black community. You know about MAGA extremists trying to erase our history. But do you know about one of the groups behind many of these actions? They are called Moms For Liberty. And you may think that Philadelphia and surrounding progressive areas are safe from these extremist policies. But we are not. This group has organized effectively in our neighboring Bucks County - and they will not stop there.

They will be protesting at the Free Library branches and we will host this rally to tell them we will protect our libraries from their book bans and our communities from their hate speech.

We will rally and then march to the Marriott Hotel, 1201 Market Street, and join with other groups protesting M4L.
