Postcard Writing

OneNJ7 is partnering with FieldTeam6 to register Democrats and save the world! (half kidding) Each packet contains 20 addresses, 20 postcards and 20 stamps. Use the power of your personalized, handwritten postcards to register Democrats.

There are more than *20,000 unregistered, likely Democrats in NJ CD7*. We have until October 2024 to write postcards to as many of them as possible.

ILNH Tom Kean "Mad Lib" project

Do you live in Congressman Tom Kean's district?

Have you ever written to him and noticed that all of his response emails and letters look the same? The same words and phrases are used regardless of what the topic was that you wrote in about!!

For example: You write with disappointment of Kean's vote to censure Adam Schiff. His response is filled with nonsense about transparency. You write again, this time about SCOTUS, and you also get back the exact same verbiage on transparency!

It's like his team was simply filling out a Mad Libs sheet!

Action Item - After you call or email Congressman Kean with a specific issue, ask for a response, if one is offered. When you receive your email/letter back, make a notation as to what your issue was specifically, then forward it to our "mailbox" (Info@IndivisibleLNH.com). We will do something artful with them to highlight our UnRepresentative's UnResponse to our concerns!

Write an Op-Ed to a news outlet

Write an Op-Ed to a local news outlet about your frustration with our 2 local "unrepresentatives", Congressmen Brian Fitzpatrick (PA 1) and Tom Kean Jr. (NJ 7). See below for the letter Maggie Savoca (OneNJ7) submitted to the Star Ledger as an example and inspiration!

Tell Congress: Pass the Freedom to Vote Act

The freedom to vote is on the line. States have passed almost 100 laws rolling back voting rights in the 10 years since the Supreme Court gutted the Voting Rights Act. Election deniers threaten the fairness and safety of our elections, and gerrymandering and big money dilute the power of voters.

Every American should be able to cast a vote and make their voice heard. The Freedom to Vote Act would establish baseline national standards that protect the ballot and protect our elections from sabotage. It would ban partisan gerrymandering and counter big money in politics, and it would protect voters of color.

We are failing to live up to our ideals, and disenfranchising millions of Americans in the process. Ask your Representative and Senators to pass the Freedom to Vote Act now. [Click here to send an email!](#)
