Virtual Phone Banking with Ohio Progressive Action Leaders (OPAL)

August 6 and 7

multiple times

From OPAL:

We'll be using an automated dialer to inform our base about the August 8 election and the importance of turning out to vote NO.

Direct voter conversations are the proven most effective form of voter engagement! Join us for a fun and rewarding volunteer experience.

We must defeat Issue 1 to preserve Ohioans' long held freedom to enact laws via citizen ballot initiatives, and:

- Protect abortion access and reproductive freedom;
- End gerrymandering and secure fair voting maps;
- Raise the minimum wage;
- And more . . .

Cards can be picked up at Sharon's house @ [121 N. Main St. Lambertville](#). The house is on the corner of N. Main and Jefferson Streets. The cards will be on the side porch that is on Jefferson. Any questions? Contact Elycia @ elycialerman@yahoo.com.

ILNH Tom Kean "Mad Lib" project

Do you live in Congressman Tom Kean's district?

Have you ever written to him and noticed that all of his response emails and letters look the same? The same words and phrases are used regardless of what the topic was that you wrote in about!!

For example: You write with disappointment of Kean's vote to censure Adam Schiff. His response is filled with nonsense about transparency. You write again, this time about SCOTUS, and you also get back the exact same verbiage on transparency!

It's like his team was simply filling out a Mad Libs sheet!

Action Item - After you call or email Congressman Kean with a specific issue, ask for a response, if one is offered. When you receive your email/letter back, make a notation as to what your issue was specifically, then forward it to our "mailbox" (Info@IndivisibleLNH.com). We will do something artful with them to highlight our UnRepresentative's UnResponse to our concerns!

Write an Op-Ed to a news outlet

Write an Op-Ed to a local news outlet about your frustration with our 2 local "unrepresentatives", Congressmen Brian Fitzpatrick (PA 1) and Tom Kean Jr. (NJ 7). See below for the letter Maggie Savoca (OneNJ7) submitted to the Star Ledger as an example and inspiration!

Tell Congress: Pass the Freedom to Vote Act

The freedom to vote is on the line. States have passed almost 100 laws rolling back voting rights in the 10 years since the Supreme Court gutted the Voting Rights Act. Election deniers threaten the fairness and safety of our elections, and gerrymandering and big money dilute the power of voters.

Every American should be able to cast a vote and make their voice heard. The Freedom to Vote Act would establish baseline national standards that protect the ballot and protect our elections from sabotage. It would ban partisan gerrymandering and counter big money in politics, and it would protect voters of color.

We are failing to live up to our ideals, and disenfranchising millions of Americans in the process. Ask your Representative and Senators to pass the Freedom to Vote Act now. [Click here to send an email!](#)

Virtual Canvass Training with CBSD Neighbors United

Wed, Aug 2, 7:00pm–7:45pm

Join us for a virtual canvassing training to learn about the ins and outs of having great conversations with voters on the doors!

We will go over key issues that may come up in conversations, canvassing best practices, and the technology needed to enter data while you're out knocking. There will always be time for any and all questions! These trainings typically take 30-45 minutes.

If you are eager to go out knocking and none of the times here work for you, and/or if you have any questions about this event, please reach out to Gabri Kurtzer-Ellenbogen at gabriska@gmail.com or at 202-819-9853.
