

Dear Friends,

The NJ legislature passed the OPRA (Open Public Records Act) bill on May 9 and now it's waiting for Gov. Murphy's signature. Antoinette Miles, state director of the New Jersey Working Families Party, said the measure "is not a bill that modernizes OPRA, it is a bill that decimates OPRA." [NJ Spotlight News](#) reporting said that Senate Democrats rewrote the bill that includes "more than a dozen changes that would make it tougher for people to gain access to documents created and maintained by public officials with their tax dollars". Contact the governors' office and tell him to VETO the OPRA bill that was passed. [Click here](#) to contact him by email or text him at (732) 605-5455. ([Click here](#) for info on texting)

## Action Opportunities

### Tell Gov. Murphy to VETO OPRA bill!

The NJ legislature passed the OPRA (Open Public Records Act) bill on May 9 and now it's waiting for Gov. Murphy's signature. ### Who wants POSTCARDS?!

Ready to start writing postcards? We're starting now, to accumulate cards that will be mailed in the Fall to infrequent voters. This first batch is to registered Hunterdon County voters who didn't vote in 2022 or in 2023. You're asked to handwrite addresses on the picture side of the card, and then on the other side, a short 2-sentence message to encourage voting. All completed cards must be returned to the pickup site, a Lambertville porch, either with your donated postcard stamps [THANK YOU!] or unstamped and we'll add postage from other donors. Postcards are issued in 30-count packs -- how many would you like? Please send an email to <mailto:riverbrass893@gmail.com> with "ILNH Postcards" in the subject line to make your request.

### Tell Lambertville leaders to protect against flooding in Lambertville!

(NJ League of Conservation Voters)

Hurricane Ida decimated Lambertville, damaging roughly half of the properties. New Jersey floods every time it rains, but Lambertville is unique. Being bordered by the Delaware River and several creeks, Lambertville is hit by flooding from all sides. And if leaders don't put protections in place, we'll see this same devastation again and again.

Fortunately, the Lambertville City Council is looking to establish a

dedicated source of funding with minimal impact on residents so that homes and businesses, especially those in the lowest lying parts of the city, are protected. But these leaders need to hear that residents support this work. [Please send a message, by clicking on this link, urging Lambertville city leaders to invest in updated infrastructure to defend against flooding.](#)

**Call to Action: Freedom to Read Bill!**

1. Call your NJ State Senators to ask them to co-sponsor S2421. [Click here](#) for suggested phone script. If needed, phone messages can often be left during non-working hours. (Rationale: Focus on increasing support in the Senate as this version is expected to move to Committee sometime soon and thus needs support now. Studies show legislators pay more immediate attention to phone calls and in person visits than other forms of communication)
2. [Sign petition](#) to raise awareness of the bill in both houses.

**Petitions in support of ranked-choice voting**

According to Action Network.org, "Voters are forced to choose between the lesser of two evils. Over and over and over again. Voters have little choice, and third-party candidates never seem to have a real shot at winning elections. Why? The spoiler effect. When a third-party candidate enters the race, they always run the risk of splitting the vote with the establishment candidate whose politics they most closely align with. If a progressive candidate enters the race, she draws votes away from the Democrat. If a conservative enters, she draws votes away from the Republican. If we're only allowed to choose one candidate on the ballot, the spoiler effect will always be a problem in our elections, and keep us trapped in a two-party system with only two choices." **Abolish NJ's County Line**

What is the county line?  
This peculiar New Jersey practice is not used in other states. In New Jersey, county party committees can endorse candidates for the party primary and have their names listed in the first column on the primary ballot, giving those candidates, on average, a 38% greater chance of being elected. Those seeking the nomination who are not endorsed by the County Democratic committee have their names scattered elsewhere on the primary ballot, where they are much less likely to be found. This is called the "county line". HOWEVER, thanks to a win for [Andy Kim's lawsuit](#), the 2024 primary ballots will be arranged in an "office block" style, where candidates will be arranged by the office they're seeking!

The fight is not over though. The win is just for this year's primary so more work needs to be done! To learn more about it: Go to the [Fair Ballot Alliance](#), [Abolish the Line](#) & [Good Government Coalition of NJ](#) websites for more information.

**Anti-Tom Business Cards**

Take action by educating people that Tom Kean (NJ7) is a big wolf in sheep's clothing! Distribute these business cards at local events, post them on bulletin boards, or just leave them laying around in places they'll be seen. Cards can be picked up at Sharon's house @ [121 N. Main St. Lambertville](#). The house is on the corner of N. Main and Jefferson Streets. The cards will be on the side porch that is on Jefferson. Any questions?
