

Dear Friends, We have **119** days until the general election. That sounds like a lot, but it's not for what we need to do. We need to get people to the polls and we'll do

that through our deep canvassing efforts, Neighbor2Neighbor canvassing, volunteering our time for dem candidates, etc.! Now is the time to volunteer with ILNH, a democratic candidate, and/or another GOTV organization. Now is the time to knock on doors, to write postcards, to rally, to talk with neighbors, to do SOMETHING.

The stakes are too high. It's not hyperbole to say that we're perilously close to the end of democracy as we know it. If Trump is elected, [Project 2025's](#) "Mandate for Leadership" will be enacted leading us down a path where Trump has increased power, LGBTQ protections/freedoms are rolled back, the Department of Education is eliminated and Christian ideology prevails.

Standing in the wings, while we wring our hands and text our discontent to friends won't cut it. We all need to do whatever it is we can do to get people to vote. Action is what's needed and we need YOU in this fight.

Peace in activism,

ILNH

Who wants POSTCARDS?!

Ready to start writing postcards? We're starting now, to accumulate cards that will be mailed in the Fall to infrequent voters. This first batch is to registered Hunterdon County voters who didn't vote in 2022 or in 2023. You're asked to handwrite addresses on the picture side of the card, and then on the other side, a short 2-sentence message to encourage voting. All completed cards must be returned to the pickup site, a Lambertville porch, either with your donated postcard stamps [THANK YOU!] or unstamped and we'll add postage from other donors. Postcards are issued in 30-count packs -- how many would you like? Please send an email to <mailto:riverbrass893@gmail.com> with "ILNH Postcards" in the subject line to make your request.

**Emergency SCOTUS
response phonebank to
voters in Pennsylvania**
(Indivisible National)

Thursday, July 11, 7 - 9pm

Urgent! The MAGA Justices on the Supreme Court just declared that U.S. Presidents are above the law, so we'll be calling voters in Pennsylvania to make sure they know just how dangerous a second Trump term would be. Join us on Thursday, July 11 at 7pm ET / 4pm PT for a two-hour phonebank into the state where we first declared our independence from kings with unlimited power, and that may decide whether MAGA can seize control of Congress and the White House. There will be a short HubDialer training at the beginning of the call with the remainder of the event dedicated to calling voters! [Click here to register!](#)

Fourth Branch Action is hosting a virtual teach-in on Project 2025. Please join us for this important event. So many Americans have heard truly little, if anything, about Project 2025. They think MAGA Republicans won't put it into action, or they can't believe the MAGA GOP can put it into action. NEWS FLASH: The work outlined in Project 2025 has already started. It is not a matter of it being a potential plan waiting to be implemented, it is the current working plan of the MAGA GOP. Both elected and unelected wealthy, religious, autocratic zealots have been working on this plan for decades. [RSVP here](#)

Action Opportunities

Sign up for Indivisible's Neighbor2Neighbor

What is Neighbor2Neighbor?

Neighbor2Neighbor is a new innovative tool created by Indivisible. It provides a low barrier/high impact way to canvass. It's the most convenient way to have conversations with your neighbors about the upcoming election! The goal is to knock 200,000 doors in House, Senate, and Presidential battlegrounds across the U.S. in 2024. It's going to take neighbors talking to neighbors to fight back against MAGA extremism and secure our rights. Let's do this!

When you sign up, you commit to talking with ten people in your neighborhood. The people will be like minded voters. You will receive a simple script and a piece of literature to leave with your neighbor. It's simple, no app, no reporting - just you knocking on neighbors doors to let them know about our efforts and our Indivisible groups they can join if they'd like. [Click here](#) to sign up!

Tell Lambertville leaders to protect against flooding in Lambertville! (NJ League of Conservation Voters)

Hurricane Ida decimated Lambertville, damaging roughly half of the properties. New Jersey floods every time it rains, but Lambertville is unique. Being bordered by the Delaware River and several creeks, Lambertville is hit by flooding from all sides. And if leaders don't put protections in place, we'll see this same devastation again and again.

Fortunately, the Lambertville City Council is looking to establish a dedicated source of funding with minimal impact on residents so that homes and businesses, especially those in the lowest lying parts of the city, are protected. But these leaders need to hear that residents support this work. [Please send a message, by clicking on this link, urging Lambertville city leaders to invest in updated infrastructure to defend against flooding.](#)

Call to Action: Freedom to Read Bill!

1. Call your NJ State Senators to ask them to co-sponsor S2421. [Click here](#) for suggested phone script. If needed, phone

messages can often be left during non-working hours. (Rationale: Focus on increasing support in the Senate as this version is expected to move to Committee sometime soon and thus needs support now. Studies show legislators pay more immediate attention to phone calls and in person visits than other forms of communication) 2. [Sign petition](#) to raise awareness of the bill in both houses.

Petitions in support of ranked-choice voting

According to Action Network.org, "Voters are forced to choose between the lesser of two evils. Over and over and over again. Voters have little choice, and third-party candidates never seem to have a real shot at winning elections. Why? The spoiler effect. When a third-party candidate enters the race, they always run the risk of splitting the vote with the establishment candidate whose politics they most closely align with. If a progressive candidate enters the race, she draws votes away from the Democrat. If a conservative enters, she draws votes away from the Republican. If we're only allowed to choose one candidate on the ballot, the spoiler effect will always be a problem in our elections, and keep us trapped in a two-party system with only two choices."
