

Don't look at polls. Don't read election forecasts. Get outside for at least 30 minutes each day and just - breathe ☮.

We have 21 days until the election and much can be done in that time. We can absolutely make a difference in this election up and down the ballot! Ruminating on the what ifs if the so and sos gets elected winds us all up and does little. Our energy is better spent putting one foot in front of the other as we knock on doors, reach for our phones to text and phone bank, and write GOTV postcards. So after you breathe and sip your coffee or tea, pick one or two things in this email to do. Just DO SOMETHING!

Do you know a U.S. citizen living abroad? Make sure they vote in this election! They should complete a [FPCA \(Federal Write in Absentee Ballot\)](#), which is, essentially, a provisional ballot by October 21! When filling out the form, it's essential that they specify their preference to receive their ballot electronically. Please note that while the FPCA will be returned electronically, the ballot itself must be mailed to ensure it is accepted on time. To see a video on how to do this: https://drive.google.com/file/d/158M_6TOroTaEPiSRqL4LFeM2zkejLEIR/view

Unlike New Jersey, who notifies voters of mail-in-ballot mistakes and allows their correction, it depends on the county a voter lives in Pennsylvania. This past Sept. 5, a court, ruled that in Washington County, PA, voters must be notified and able to submit a provisional ballot for Election Day if their mail-in ballot was rejected due to a mistake. This ruling doesn't help voters in all the other PA counties (yet) though! So for now, PA voters must check the status of their ballots to ensure their vote was counted. We've compiled some handy dandy info. ([click here](#)) for you to read and share with your peeps! Pennsylvania groups are actively working to help voters make sure their votes are counted! Check out the below, "BALLOT CHASE, DEFICIENT BALLOT CURING & ELECTION PROTECTION" section to help!

CANVASS

There are so many ways to get involved, but we hope you will consider one of the most effective ways to get people to vote. Door-to-door canvassing! In canvassing, people are trained and given a script, then sent off with an experienced buddy to talk to registered democrats and independents. If talking directly to voters just ain't your thang, you can go along with experienced canvassers to hold literature, operate the minivan phone app, and/or drive canvassers house-to-house!

Sign up for Indivisible's
Neighbor2Neighbor

What is Neighbor2Neighbor?
Neighbor2Neighbor is a new innovative tool created by Indivisible. It provides a low barrier/high impact way to canvass. When you sign up, you commit to talking with ten people in your neighborhood. The people will be like minded voters. You will receive a simple script and a piece of literature to leave with your neighbor. It's simple, no app, no reporting - just you knocking on neighbors doors to let them know about our efforts and our Indivisible groups they can join if they'd like. [Click here](#) to sign up!
