

*“Everybody can be great...because anybody can serve. You don't have to have a college degree to serve. You don't have to make your subject and verb agree to serve. You only need a heart full of grace. A soul generated by love.”*

From Martin Luther King Jr.'s 1968 "The Drum Major Instinct" sermon.

Dear Friends,

There's still time to sign up for our MLK Jr. Day service project at Fisherman's Mark in Lambertville today! See below "Events" section for details!

Our Action Alerts have been updated so please do these TODAY!

Question: Why should I bother contacting my representative about these Action Alerts? Does it really do any good?

Answer: YES! They want to know what's important to us 'cuz we're the ones who can fire them in the next election! Every day, staff tally how many calls, emails, etc. constituents have made about a particular issue. This guides their voting behavior! Even contacting representatives that you think will surely be on your side of an issue has value. They get tired and busy too! They need our energy and good vibes cheering them on (pat them on the proverbial back when they do something well) and encouragement to keep fighting on our behalf.

(New Jersey) Send a message to your elected officials, urging them to pass the John R. Lewis Voter Empowerment Act of New Jersey (S3009/A4083) or NJ Voting Rights Act-NJVRA

John Lewis Voter Empowerment Act (Senate bill 3009; Assembly bill 4083): strengthens protections of voting rights by requiring state approval for changes in voting access by local governments with a history of voting rights violations; expands the number of languages in which ballots are printed; and provides stronger protections against intimidation of voters.
