

Dear Friends,

In one week, Indivisible Lambertville/New Hope (ILNH) will hold our March Community Gathering. All the cool kids will be there and you don't want to miss it! Make sure to register TODAY! The deets (that's cool kid slang for "details") are below!

Since we'll take any good news we can get these days. Here's some from this week!

As reported in the Courthouse News Service: "The First Circuit on Tuesday ordered the Trump administration not to enforce its executive order on birthright citizenship while the issue makes its way through the appeals courts."

As reported in the NY Times: "Two judges ordered federal agencies on Thursday to reinstate tens of thousands of workers with probationary status who had been fired across 19 agencies as part of President Trump's government-gutting initiative."

Volunteers needed! ***Seeking People to Attend Hunterdon County Commissioners' Meetings*** - The County Commissioners meet every other Tuesday at 5:30pm in the Flemington court house. We need 1-2 people to attend these meetings regularly, willing to make public comments (e.g. why won't they support the resolution noting that they will only support legal ICE actions). Estimated time commitment- approximately 3 hours every other Tuesday evening. Email info@indivisiblelnh.com if interested!

Remember to join our private [ILNH Fb](#) page and if you were forwarded this email and want to subscribe, [click here](#)! Also, don't forget to check out our [website](#)!

Just say NO to Tom Kean Jr.
budget cuts

Thursday, March 20, 12-1pm

Tom Kean, Jr. pretends he is a moderate Republican, but then hides from his constituents. During this March congressional recess, we will rally outside his offices in Bernardsville to send him a message that we know he is complicit in everything the Trump-Musk administration is doing, including terrible cuts to Medicaid that will affect at least 50,000 of Tom Kean Jr.'s constituents in his district. And his silence as Trump prepares to

hand Ukraine over to Putin—although Kean has acted like a Ukraine supporter in the past.
Bring your signs.
Those who wish can come ready to quietly visit his office, one or two at a time. [Click here](#) to register!

Stop the Cuts Town Hall - CD7

March 23, 2025 at 12:00pm - 2pm Bridgewater Marriot, [700 Commons Way, Bridgewater, NJ 08807](#)

Our Republican Members of Congress have been silent and are failing to stand up for our communities. We must stand up and fight back against the DOGE cuts to federal agencies, and the cuts to Medicaid, SNAP, the ACA, climate initiatives, environmental protection, and more being proposed by the Republican controlled Congress. These cuts will be devastating to our communities - especially the elderly, children, women, the disabled, and low- income workers, but they will affect ALL of US.

Hands Off! Princeton, NJ Fights Back

Saturday, April 5, 12-1:30pm
[Sylvia Beach Way, Princeton, NJ 08542](#)

This mass mobilization day is our message to the world that we do not consent to the destruction of our government and our economy for the benefit of Trump and his billionaire allies. Alongside Americans across the country, we are marching, rallying, and protesting to demand a stop the chaos and build an opposition movement against the looting of our country. A core principle behind all Hands Off! events is a commitment to nonviolent action. We expect all participants to seek to de-escalate any potential confrontation with those who disagree with our values. [Click here](#) to register!

ACTION ALERTS

(For NJ CD7 Constituents)
Demand a town hall with Tom Kean, Jr.

As an elected representative of the people, one of a Congressperson's primary responsibilities is listening to his constituents and answering their questions. Town halls provide a unique opportunity for constituents and their representative to

engage in meaningful two-way discussion of issues facing the district.

Protect Our National Forests
from Unregulated Logging

Trump's unregulated expansion of logging not only risks the longterm viability of our public lands, but allowing it to proceed without assessing its impact on air quality, water quality, and wildfire risk also compromises public safety. Congress must hold the administration accountable to current environmental law and oppose this effort to undermine the protections that work to preserve our public lands and the safety of every American.

Block the Return of Predatory
Bank Fees

The CFPB's \$5 overdraft fee cap would save American consumers an estimated \$5 billion per year, or \$225 per household. Removing this cap is a priority for the Consumer Bankers Association, a lobbying group which represents big banks with more than \$10 billion in assets.
