

Hello friends,

Do you want to save the world? Are you interested in taking direct action to save our democracy?

Join Indivisible Lambertville New Hope (ILNH) at our first **Field Team 6** event! While some ILNH Indivizzies will be marching in the **Saturday, May 17th Lambertville-New Hope Pride Parade**, we'll be among the crowd registering voters! See below "Events" section to sign up!

What's Field Team 6?

Field Team 6 (FT6) is a volunteer army on a simple mission: Register Democrats. Save the World. FT6 is working to restore the Democratic trifecta, to empower Congress to pass game-changing voting rights, abortion rights, LGBTQ+ rights, civil rights, and so much more. ILNH will be using FT6's approach in advance of the NJ governor's race. Field Team 6's efforts are laser-focused on registering women, people of color, young people, LGBTQ+ and disabilities communities, veterans and faith communities and every good-hearted human we can find.

What if I'm interested in registering democrats, but I can't make it on the 17th?

You are still welcome to join the upcoming zoom orientation and if you are interested in attending other Field Team 6 events with ILNH, contact us at info@indivisiblelnh.com.

"NO KINGS" Save the date!

June 14

Our next major mobilization will be on June 14. On this day, Donald Trump is planning a military parade in Washington, D.C. on Flag Day -- his birthday. This display of might is intended to intimidate opponents and solidify his image as a strongman on our dime, and we won't stand by while that happens. While Trump will be busy making the day all about him, we will make action **everywhere else** the story of America that day. Thousands of people will come together in communities across the country to reject strongman politics and corruption

ACTION ALERTS

In NJ: Pass Bill S3491/A4656 to truly protect people accessing care

It is important to note that gender-affirming care is only protected in NJ by Gov. Murphy's Executive Order--which can end as soon as a new Governor is elected. Tell your representatives to pass [NJ Bill S3491/A4656](#) into law to truly protect people accessing care and the medical professionals who provide it!

In NJ: Pass the Immigrant Trust Act, bill S3672/A4987

The Immigrant Trust Act (S3672/A4987) provides critical protections that ensure:
(1) Our state resources are designated for us, not a harmful federal agenda, (2) New Jerseyans are empowered to access crucial public services that they need and are eligible for, (3) New Jersey communities are protected from the devastating consequences of family separation as a result of voluntary collaboration between state officials and ICE. [Tell legislators](#) to pass the act today!

Tell your Republican Rep You Don't Want To Pay The Price For Their Billionaire Tax Breaks

Republicans in Congress are trying to ram through the Trump Tax Scam, their tax plan that sells out everyday Americans to help billionaires like Elon Musk get even richer. They're using budget reconciliation—a wonky process that would allow them to pass legislation with only Republican votes to ram through their top priorities: giving the ultra-wealthy trillions of dollars in tax breaks and expecting the rest of us to foot the bill. [Act here!](#)

Documenting How Social Security Staff Cuts Affect NJ residents

As the Trump administration cuts the number of Social Security Administration (SSA) staff, a group of concerned citizens is trying to assemble information on the difficulties some NJ residents experience in speaking to the remaining SSA workers (by phone or in person) about their Social Security or Medicare benefits. The group plans to disseminate this information to pressure Republicans in congress to reverse the staffing cuts. This info can also help mobilize support for Democrats and help take back control of the House. If you know anyone who has experienced these difficulties communicating with SSA about their benefits please email info@indivisiblelnh.com. Volunteers are welcome to help with this project! ILNH will forward all responses to the project organizer.
