

Hello friends,

Yup, it looks like Trump's abominable bill is going to affect Medicare. On May 20th, the Congressional Budget Office (CBO) [warned](#) that the Republican budget bill would trigger more than \$500 billion in automatic cuts to Medicare under the Statutory Pay-As-You-Go ('PAYGO') Act. [Click here](#) to read the layman's version of the effect on Medicare and PLEASE voice your outrage to your Republican representative (see below action alert section)!!!

A big THANK YOU to everyone who marched with us and registered voters in our first Field Team 6 partisan voter registration event at the Lambertville/New Hope Pride Parade! We love our ILNH family! Check out the pictures on our socials 😊

Help prepare for, and participate in, the ILNH & IONJ "No Kings" Card Stunt!

Saturday, June 14, 9:00-10:30am

Indivisible Lambertville-New Hope (ILNH), along with our partners in the Indivisible One New Jersey (IONJ) coalition, is taking action on this day of defiance to reject authoritarianism. In doing so, we are sending a message to President Trump: No Kings! The American flag belongs to all of us! We will perform a "card stunt" by gathering in a large field and holding cards that together create two field-sized images: one supporting our democracy, and the other, reclaiming the American Flag. A drone will capture the event and we will share it on social media as a kickoff to No Kings Day.

We will need lots of volunteers both ahead of time and on event day to pull this off. [Click here](#) to sign up!!

ACTION ALERTS

Hold Your Republican Representative Accountable For Voting to Slash Medicaid & SNAP

House Republicans just passed the Trump Tax Scam, legislation that makes extreme cuts to Medicaid, SNAP, and other essential programs to pay for tax breaks for the ultra-wealthy. This bill will make billionaires, while everyday Americans lose their health care and go hungry. It's now headed to the Senate for their consideration, but if they change even one word of the bill, it'll go back to the House for another vote, giving us another chance to defeat it there. [Click here](#) to contact your Republican representative!

Call your Dem Senator to Stop Trump's Crypto Corruption

A crew of crypto-curious Democrats are willing to settle for a final bill that does nothing at all to stop the flow of bribes. [Click here](#) to contact your Democratic Senator and tell them to stop Trump's crypto corruption and oppose the GENIUS Act!

Give a testimonial about your residential energy tax credit

Residential energy tax credits are at risk in the upcoming reconciliation package. [Rewiring America](#) is helping homeowners speak out in defense of these programs by writing letters to the editor (LTEs). Here are examples of LTEs Rewiring America helped place in [New York](#), [Colorado](#), and [Iowa](#). Participating is quick and easy. In a short 15–20 minute call, their team will ask you a few simple questions about your experience. Then they'll draft an LTE for your review and provide clear instructions for submitting it to your local paper. This is a low-lift, high-impact way to help protect programs that benefit families like yours—saving money, cutting emissions, and supporting clean energy jobs. If you're interested, just fill out [this short survey](#) about your clean energy upgrades, and the Rewiring America team will be in touch.
