

Dear Friends,

Yes! It's time to make an impact – beyond attending demonstrations and calling your representatives. ILNH is teaming up with Field Team 6, a group dedicated to registering Democratic voters, and we're pulling out all the stops ahead of New Jersey's election for governor this November. If you want to channel your energies in a way that will help New Jersey remain a blue wall, blocking the Trump/MAGA attacks on our freedoms, please join our team. We'll train you to register voters or even learn to host upcoming events. Republicans have been surpassing us in partisan voter registration in both NJ and PA. So while our current focus is the upcoming NJ election, we will ultimately expand our efforts to encompass both sides of the river. See the below "ILNH EVENTS" section for registration links!!

If you know ILNH, you know that we LOVE putting together action events and community gatherings! Please fill out [this survey](#) and mark any and all items you would attend. If you completed the form at our August 10th One Million event, we have your reflections already. This will help us plan. Thank you!

NOTE: Make sure to open our emails when you get them...and click on our below links! The email program we use, scores users. The more newsletters you open and click through, means that we are able to send future newsletters to you! If you stop opening our emails, our program assumes you don't want to hear from us and stops allowing us to send them to you. 😞 It's a way to prevent spam. Sooooo, if you want to keep hearing from us, the best thing to do is to open our emails 💜 and take a below action or two!

Shut Down Moshannon Protest	August 24, 2-4pm Philipsburg Memorial Park, across the street from the Philipsburg Borough Office located at 4 N Centre St, Philipsburg, PA 16866 Moshannon Valley Processing Center is the largest ICE detention center in the Northeast United States. ICE sends individuals detained from across the Northeast and Mid-Atlantic, and is expected to reach its maximum capacity of 1,870 people in a matter of weeks. There have been documented and verified abuses of detained individuals, indicating a profound disregard for the human and civil rights our Constitution guarantees to every person in America. On August 24, residents from across Pennsylvania will gather to express outrage and demand that this facility be shut down. Our Congressional representatives, who have the legal authority to enter all federal facilities, will demand access to report on the current conditions inside and to speak with individuals currently detained. Other VIPs and elected officials will speak against the facility and demand its closure. CLICK HERE to register! Click here to read a more detailed description of the event.
