

Dear Friends,

Have you registered yet for ILNH's Oct. 18 [No Kings II: Rally and Spirit of Democracy March](#) event? In protest of the current authoritarian regime, we will rally against threats to our health, welfare and future, dressed in costumes (for those who want to) that represent the ways in which our republic is dying and negatively affecting us. We ask that you make and carry tombstone signs that state what you have "died" from that symbolize these impacts. After a rally in Lambertville we'll march through the streets and across the bridge into New Hope, ending with a honk-and-wave near the NHS high school. (Afterward, participants can then make their way back across the bridge to their cars.) Can't come to the ILNH event or want to go to more than one? No problem! [Click here](#) for a list of other events being held locally and throughout the country!!

Signs of Solidarity - Across the country, ICE agents are entering small businesses without warrants — detaining workers, frightening customers, and spreading fear in our communities. These raids often happen without warning, carried out by masked agents in plain clothes with no visible identification. Indivisible has a campaign to talk to business owners and provide them with signs that have a clear message: immigrants are welcome here, and our community stands united against harassment.

We are looking for people to go out and talk with businesses and ask them to display these signs, as well as educate them on how having a "STOP - Employees Only" sign can prevent ICE from coming into an area without a legal warrant signed by a judge. For more information including talking points/scripts please go to [Signs of Solidarity Canvassing Signup](#). You can pick up packs of 6 signs on the Jefferson Street-side porch of [121 N. Union Street](#) or [print your own](#).

Peace in activism,

Indivisible Lambertville/New Hope (ILNH)
