

Dear Friends,

Thank you to all who attended and donated at yesterday's ILNH "Preparing for What's Next!" Community Gathering. We covered a lot of ground about our upcoming boycotts, actions you can take now and how to stay safe in our activism!

Now, can we talk about boycotts? Are you feeling a little meh? Do you really need to cancel your beloved Spotify subscription? What's more, do boycotts work? Have you been wondering that? Should you bother? [Yes for Target](#) (hit with multiple boycotts)! [Yes to Tesla](#)! [Yes to Disney](#)! Boycotts DO WORK, because the PEOPLE HAVE SO MUCH POWER! We must hold these companies accountable to us and send a clear message that they should be worried about US, not the Trump administration!

Peace in activism,

Indivisible Lambertville/New Hope (ILNH)
