

Dear Friends, We are so thankful to have you all in our community! We hope that you had a wonderful Thanksgiving and if you didn't well, at least it's over! The holidays can be difficult. Sometimes the family you're born into is less than welcoming, warm or politically er um, aligned. Count ILNH as part of your chosen family! Whether you are muddling through or relishing in (mazel tov!) the holiday time, we are always on social media ready and waiting for you to engage with us. Think of us as a warm cup of hot chocolate with red, white and blue marshmallows!

Now, on with the show...Indivisible national leadership unveiled its 2026 Primary Program in this [Medium article](#) and [this video](#). Please watch and read. In both, local groups are encouraged to identify and support democratic primary candidates that are "fighters" rather than "folders", defined by four important characteristics. Stay tuned in the coming weeks as national will be sending out its updated grassroots endorsements guide.

BOYCOTTS (Until demands are met!)

We demand that **SPOTIFY** terminate all ICE and DHS advertising contracts. Until the demand is met, we will: 1) Cancel paid subscriptions and give a reason (i.e. "I'm cancelling until Spotify terminates ICE ads."), 2) Stop streaming the free ad-based service, 3) Support artists elsewhere (for example, on Patreon, [TIDAL](#), or [Apple music](#)), 4) Go to <https://indivisible.org/cancel-spotify>.

We demand that **STARBUCKS** give better working conditions to unionized (and hopefully all other) employees. Until the demand is met, we will: 1) Delete the Starbucks app, 2) Switch to local coffee shops, until the strike ends, 3) [Send a message to Starbucks CEO Brian Niccol and let him know you stand with the workers!](#), 4) See: nocontractnocoffee.org/

ACTION ALERTS

Tell (PA) Rep. Brian Fitzpatrick to sign [Discharge Petition No. 10](#)! [Email him](#) this message: Health insurance premiums for 24 million Americans are about to double on average. If you do nothing, many of your constituents will get sicker without health insurance or even die. You have the power to stop this nightmare by signing Discharge Petition No. 10!

[Sign the Indivisible Primary Pledge!](#)

(NJ) Call your state senator TODAY and demand they vote NO on [S4924](#). [Find your legislator here](#). New Jersey deserves transparency — not backroom deals and power grabs. Independent oversight protects taxpayers. Diluting the Comptroller's authority is dangerous and unacceptable.
